ORDER

The Government moves to adjourn the trial with consent of defense counsel (Dkt. No. 103). The Court has considered its obligation under 18 U.S.C. § 3161(h)(7)(A) to determine whether a continuance serves the ends of justice in a manner that outweighs both the public interest and the defendants' rights. The Court finds that pursuant to 18 U.S.C. § 3161(h)(7)(A), the ends of justice served by granting the requested continuance outweigh the best interests of the public and the defendants in a speedy trial. necessary for effective preparation for trial after the decision by the Second Circuit in the *Zhang* Appeal, filing of additional pretrial motions, and to review the voluminous discovery documents.

2. Any pretrial motion(s) in this case shall be filed on or before **November 30, 2016**. The motion(s) will be on submission.
